Badass Democratic Candidate MJ Hegar Raises Over \$1.1 Million in 2nd Fundraising Quarter

Round Rock, TX – Today, MJ Hegar, Air Force combat veteran, announced that she raised an impressive \$1.1 million dollars in the second fundraising quarter of 2018, with over \$750,000 coming in the 10 days after the release of her viral video [“Doors”](#).

After refusing to accept corporate PAC money, MJ has built a strong grassroots operation with over 20,000 donors and 94% of donations coming from small-dollar donations.

“The thousands of people who are supporting our campaign show that it is time to show the door to politicians who care more about campaign donors and political parties than protecting our country. I look forward to building on our success this quarter and continuing to run a campaign powered by people and not corporate PACs,” said MJ Hegar.

Since she began running for Congress MJ has raised over \$1.6 million, the most any Democratic challenger has ever raised in Texas 31st Congressional District.

About MJ Hegar

MJ Hegar served on the frontlines as a pilot in the Air Force - and in 2009 her helicopter was shot down by enemy fire and, despite being wounded, she helped save the lives of her crew. For her actions, MJ earned a Purple Heart and the Distinguished Flying Cross with Valor. After her service in Afghanistan, she came home to Texas and worked with the Pentagon and women's advocacy groups to end the ban on women serving in combat roles - making our military and country stronger. Now MJ is running for Congress to bring much needed change to Washington and continue fighting to protect Texas families.
